

About Department

Department of Physics has a wide and spacious area of 1200 sq. ft. Physics laboratory is well-equipped along with separate dark room. Department has its own library with 68 reference and text books on Solid state Physics, Mechanics, Classical Physics and few more books on advanced electronics.

Post Graduate course in Physics has started from academic session 2019-20 with CBCS pattern.

Vision

To Build a Foundation for Excellence and Encourage the Development of the Institution as a Premier Institution by igniting and promoting enthusiasm, interests and passion, in the study of Physics, in Professional Courses, as a part of Curriculum.

Mission

To awaken the young minds and discover their talents both in theory and in practical Physics, through dedication to teaching, commitment to students and innovative instructional methods like LCD presentation
