With a view to NEP 2020, our college has taken steps to offer multi-disciplinary and interdisciplinary courses for student's intellectual, aesthetic, social, economic and moral development in an integrated manner keeping in view of our institutional vision and mission. The College has designed and implemented add on/Certificate courses such as soil sampling and analysis, aptitude and reasoning, nano material and synthesis, mushroom cultivation and production and plastic processing techniques, English communication skills and drafting, banking and finance. The institution will implement the design and curriculum of Nep 2020 framed by parent University.

16.Academic bank of credits (ABC):

Regarding the implementation of Academic Bank of Credits, the institution will work as per directions of Parent University. For monitoring ABC, proper technical support system has been created to enroll all faculty students in this system. In this session we successfully enrolled all students in ABC.

17.Skill development:

Our college has an established Training and placement cell, NET SET PET Guidance cell, which actively involved in strengthening technical, communication and soft skills for entrepreneurship and placement. The college signed MoUs with industries, nongovernment organizations and government organizations to inculcate skill and work experience for their socio-economic development. The college is already conducting the skill courses as designed by affiliating university for Semester V and VI in various programs. The mentoring system is also one of the practice of the college, to enable students to explore future employment pathways.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

Our college is successfully implementing education in Arts, Commerce and Science. Native language is the language that allows us to express our feelings and thoughts. The Cultural Committee has worked hard to organise cultural events in which students show their calibre in speech, drama, personality development, Indian music. Students also actively participated in a tour of historic sites to learn more about heritage. Regarding the adoption of Indian

languages, college runs courses like Marathi literature and Hindi literature which have potential to develop effective communication skill in society. This year college has set up English Language Lab for the students. The magazine "SPANDAN" is published annually by our college in which different sections of languages given to the students to explore knowledge in native language.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

Our college has well designed Program Outcomes (PO), Program Specific Outcomes (PSO) for Arts, Commerce and Science streams. It is monitored by means of tools and each attempt is made to achieve the desired results. Faculty prepares learning outcome based teaching plan and work on student-centered instruction model that focuses on measuring student performances through outcomes.

20.Distance education/online education:

Our college is affiliated to Gondwana University Gadchiroli, education is imparted through physical mode after covid pandemic. Similarly our college also conduct distance education courses through Yashwantrao Chavan Open University, Nashik.

The educational use of social media has also been utilized to establish communication with the students and peers. Jio Wi-Fi facility is made available in the campus for faculty members, non-teaching staff and students.

IQAC proposed to initiate various green practices to maintain eco-friendly college campus through the different activities i.e. Medicinal plants hub, QR code development of Talking tree app, plastic eradication, tree plantation, clean and green campus, organic fertilizer pit development, liquid and solid waste management, regular green and energy audit. For the better implementation of these practices, administration distributed these activities to various departments. The Department of Environmental Science is aware about green practices through their curriculum. Because of these practices, eco-friendly and pollution free college

campus and social awareness about renewable energy and waste management is developed in the community

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

In order to enhance the quality of institution in all spheres, Internal Quality Assurance Cell (IQAC) monitors and review the teaching learning process regularly, based on the feedback, various innovative activities and reforms introduced. IQAC prepares Academic calendar at the beginning of the academic session with ample time for regular teaching learning process with various curricular and co-curricular activities.

Student's feedback- The student's feedback is taken on syllabus, faculty, teaching learning process and evaluation. The feedback is analyzed and proper action is taken. The whole process is being operated through IQAC and principal. The principal conducts regular visit to classes.

Syllabus monitoring - Every department organize monthly review and planning meeting and the report is submitted to IQAC. Principal keeps vigil on the completion of syllabus.

Use of ICT- Institute encourages faculty to attend orientation courses, refresher courses, FDPs, MOOC courses, webinars, workshops, seminars, and conferences related to ICT use or innovation in teaching learning process.

The institute monitors the performance of the students regularly. Academic excellence committee helps in monitoring implementation of new reforms in the education. Faculty actively engaged regular classes, bridge course; remedial/extra classes for weaker students provide teaching material in the form of notes and maintain more than 75% attendance, the incremental improvement measured through regular class tests, seminars, group discussion and interactions.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Gender Equity is the most important part of the all round development of students, especially girls in every sector. We are committed to laying the foundation of gender sensitization, gender equality, and empowerment of women. Women Redressal Cell (WDC) was constituted in December 2016 with the convener and members taking into consideration of Vishaka's judgment. The aim is to spread awareness among students regarding the need for gender sensitized system on campus. The WDC is actively engaged in organizing diverse programs for the awareness of girls with the sole moto to sensitize other women in and around them.CCTV surveillance helps in monitoring and keeping track of the intruders which is essential in improving

the safety and security of the campus. CCTV surveillance in the campus is adequate to resolve issues related to safety and security. The purpose of the display board is to communicate information about rules and laws, helpline numbers related to the safety and security of women. Display board fixed in veranda, catch viewers' attention. The disciplinary committee constituted in the college monitor indisciplinary behaviour and work hard to prevent indisciplinary activities. The basic thing behind counselling is to build a concrete personality by overcoming emotional stress among students. Regular organization of gender sensitization programs in college is the best system to strengthen the confidence of women. The Mentor system in the college plays a key role for the better-informed students in the college.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

Our college is committed to disposing of solid waste in proper ways. Dedicated efforts of staff, sanitary workers with the active

participation of students brought a remarkable change in the management of solid waste. The solid wastes generated in the administrative building, classrooms are collected and put into a dustbin provided for storage and transportation to the Chandrapur Municipal Corporation (CMC). Routine collection of solid waste, by CMC vehicles, further reduces the burden of solid waste on the campus. Liquid waste generated through taps in the laboratory is channeled in sewerages line. Wastewater generated through the tap is used for plants. E-Waste generated in the college is regularly collected by the local vendor for further reuse and recycling. Dead tree leaves on the ground are collected by the sanitary workers at the common point for composting, which is further used as manure for pots. The water obtained from the air conditioner in college as Air conditioners condensed water is used as General Laboratory Grade Water in the laboratory. Some of the chemicals used in the laboratory are corrosive and hazardous. Hazardous chemicals are diluted with a sufficient quantity of raw water before being disposed of in sewers.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

Institution provides an inclusive environment for every one with tolerance and harmony towards cultural, regional linguistic, communal socioeconomic and other diversities. An inclusive environment is a key to seeing the all-round development of students. Our college has a strong faith to provide equal opportunities to students of all walks of life. The institution promotes social inclusion and individual development of the students in addition to boosting competitiveness and employability. We obey and practice zero discrimination through the efforts of dedicated teachers and staff. Students can feel the non-discriminatory culture in the campus. The celebration of days of national integrity and great personality of the highest degree is an indication of our commitment to creating communal harmony and it can be achieved by inclusion. Cultural events organized in the college are a milestone in the development of unity among students. They are effective to develop interpersonal skills which further enhance leadership and personality. In order to adapt to local surroundings better, the choices of different languages are provided to students with English as a second language in the curriculum. Inclusive classroom teaching leads to improvement in cognitive skills leads to better learning habits. The college gives an opportunity and extends the benefits of earning while you learn. The college has a commitment to cultural tolerance, promoting new ideas to strengthen unity in diversity.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

Celebration of important days of significance, birth & death anniversaries of the great leaders of India helps to promote a spirit of patriotism and the unity of India. The life history and values of great leaders inspire us to follow the path of integrity, empathy, honesty, and tolerance, and compassion for significant changes in our life. Our college celebrates anniversaries of great leaders through various programs. These programs inspire us to pay tribute to this great leader and their values for sustainable living. Gandhi Jayanti is observed every year on October 2 to pay tribute to his great service to the nation. College staff and students get acquainted with his teaching of nonviolence and peace. In annual celebration of Independence day, Republic Day and Constitutional Day teachers and students together recite the preamble of India's Constitution to uphold its values and supremacy in the nation. Our college department of political science is actively involved in planning and implementation of voter's awareness in nearby areas. We celebrate the anniversaries of Dr. B.R. Ambedkar, Mahatma Jyotiba Phule, Chatrapati Shivaji Maharaj, Rajshree Shahu Maharaj, Savitribai Phule for their contribution to social change and upliftment of the weaker section of society. Fundamental rights are useful which help every human being to develop a personality for healthy living.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

1: Book Donation in Library on birthday.

Objectives: To promote reading, knowledge, and education.

Context: Book donations are crucial to the development of knowledge-based communities. The joy of reading, which fascinates millions of people of all ages every day, can only be found in books.

The Practice: Choice of books to donate in library is entirely voluntary for staff members. Books on competitive examination, science, technology, history, economics, and general topics are donated by teachers and supporting staff. This exercise helps to provide variety of books for reading and examination preparation. This activity is distinct from the regular purchase of books for the library.

Evidence of Success: Student feedback as an effective tool for achieving the success in this activity.

2 -Utilization of AC condensed water in a laboratory

Objectives: AC condensed water collected can be utilized for many purposes. Our college use it in laboratory for practical purposes.

Context: The distilled water procured from the outside source is costly, so the utilization of AC condensed water is effective to best use in the laboratory for general practices and rinsing laboratory glassware.

The practice: The collection and utilization of AC condensed water involve, Collection of AC condensed water, analysis of water, utilisation of water for practical purposes. **Evidence of Success:**

Students are taking interest in this practice. They are regularly collecting and analysing the water for its purity prior to its use in the laboratory

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The vision and mission statements help to join everyone with the institution, thus ensuring to increase efficiency and productivity in the organization. We are experimental in sports activities; students are able to learn team spirit, accountability in every aspect which is essential to boost self-confidence and self-discipline. Our students have registered their presence at the university level. Our college successfully implemented the book donation scheme by the staff. The aim of this voluntary activity is to promote reading, knowledge, and education. Under green initiatives, our college represents 75% green cover which is altogether sufficient to curb carbon dioxide from the atmosphere. Medicinal plant garden located in the campus is the pilot project of information regarding medicinal plants for all. The QR code on trees of talking tree app provides entire information about trees in college premises. Composting of dried fallen leaves is carried out in college campus in composting unit. Our college is custodian to provide distance education program run by Y.C.M.O.U. Nashik could benefit educational underprivileged students. The NSS unit helps the student to build confidence, develop skills by interacting with people. Students learn skills that help them to develop leadership in life. In order to encourage students entrepreneurship, an incubation cell has been set up.

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Our Institution is affiliated to Gondwana University, Gadchiroli and follow the curriculum given by the University. The vision and mission of the Institution are corroborated with the objectives of the society and reflects the commitment of the Institute towards holistic development of the students and inculcating the social and human values in them through curricular, co-curricular and socially meaningful extension activities.

The choice of programme and courses were made available during the admission through college website and college prospectus. IQAC prepared an Academic Calendar portraying the annual program plan specifying the trajectory of curriculum delivery and co-curricular and extracurricular activities and displayed on the notice board and college website for the perusal of students. The time table is prepared by timetable committee and displayed on notice board. Teaching plans with learning outcomes and monthly plans are reviewed and monitored by the IQAC to ensure smooth flow and completion of the curriculum prescribed. The college organize guest lecture, invite external experts in view to ensure quality of education. The progress of syllabus completion, performance of the students and associated activities are continuously reviewed in monthly departmental review and planning meetings. The institute collects feedback on syllabus from the students, teachers and Alumni, analyzed and appropriate action was taken. The analysis report of feedback was uploaded on website for review of stakeholders. The Institute has a Mentoring system to resolve academic and other related issues of students.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The institution admits most of the students from various socio-economic backgrounds. The students are counseled and oriented at the time of admission and make them aware about internal and external assessment, curricular and extracurricular activities, rules and regulations and code of conducts and ethics. Every department of institution identified advanced learners and slow learners as per their responses in the class room as well as their performance in the Continuous Internal Evaluation (CIE). The teachers prepare separate list of advanced and slow learners and conduct remedial teaching or extra classes for weaker students. The slow learners are counseled individually, provided extra and easy notes. They are encouraged to participate in group discussion, quiz competitions.

Advanced learners are encouraged to refer reference books, journals and given extra projects. All Students are also encouraged to participate in Seminars, Workshops, Conferences, Debate, Avishkar and Indradhanush. The Institute conducts cultural, sports, NSS activities, wall magazine, to enhance confidence level of students. Mentors play a very significant role in assessment of the learning levels of the students. 2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The IQAC of the institute guides the departments regarding the preparation of Program Outcomes, Program Specific Outcomes and Course Outcomes. These are charted by the departments in alignment with the university prescribed syllabus, the core values and goals and objectives of the institution. Each department, following extensive discussions, according to the nature and scope of the programmes and courses offered by them, prepare sets of program outcomes, program specific outcomes and course outcomes. These POs, PSOs and COs for all programmes and courses offered by the institution are clearly stated, displayed on the college website and communicated to teachers. All students are apprised of the objectives and expected outcomes of their programme on admission and during the introduction of syllabus. Teachers prepared teaching plan with learning outcomes and provided to students with assessment strategy for each course. The curricular and academic activities of the college are aimed at augmenting the qualitative and quantitative nature of the programmes offered, ensuring career orientation, skill development and the promotion of entrepreneurial skills. The prescribed curriculum and traditional teaching methods like lectures, assessments, group discussion, quiz, notes sharing, assignments etc. along with new interactive applications are used.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Attainment of Programme Outcomes (POs) and Course Outcomes (COs) are evaluated at the level of institution. The college follows the teaching plan based on learning outcomes for the courses offered across all programmes designed by the University. IQAC offered ICT tools for the better understanding of fundamental concepts of the courses. Attainment of Course outcome is calculated by every department on the basis of the students performance in unit tests, co-curricular and extracurricular activities as well as results of semester examinations conducted by university at the end of each semester. The programme outcomes measured on the basis of their performance in final year University Examinations.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

High quality teaching is essential for improvement of student outcomes. The institution has performance based appraisal system to encourage professional learning and growth in teachers. The duly filled appraisal forms (PBAS-Appendix III) as per the format

of parent University (Gondwana University Gadchiroli) based on the annual performance of the teachers, on the basis of their academic, research and extra-curricular activities are submitted by the faculty at the end of the session to the IQAC. The performance of each faculty member is assessed according to the Annual Self-Assessment for the Performance Based Appraisal System (PBAS). The faculty members are informed well in advance of their due promotion to submit the proposal.

All non-teaching staff is assessed by the Principal of college through annual confidential reports (CR). The Annual Confidential Report and the Performance Appraisal System has significantly helped in the evaluation of the performance of employees, in motivating them, analyzing their strengths and weaknesses to ensure better performance

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

Sources of funds are as follows:

1. Fees: Fees charged as per the university and government norms from students of various granted and non-granted courses.

2. Salary Grant: The College receives salary grant from the State Government. For this, we prepare and send an annual budget of the estimated salary grant required to the state government. This grant includes salaries of the Full Time Permanent teachers and nonteaching staff as well as Clock Hour Basis (CHB) teachers.

Our resource mobilization policy and procedures are as follows:

The principal, in close coordination with the CDC and the IQAC, monitors the mobilization of funds and makes sure that the funds are spent for the purpose for which they have been allocated. Purchasing of commodities is done properly and in accordance with the rules. The Library Advisory Committee takes care that the

book purchasing and resources in library are utilized optimally. The College Development Committee takes a review of the mobilization of funds and the utilization of these sources periodically in their meetings. Regular external audits from the Chartered Accountant and audits from the Higher Education Office, Nagpur to make sure that the mobilization of the resources is being done properly. Overall, the Principal issues directions to different departments to ensure the optimum utilization of resources

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

IQAC strives hard for upgrading the institutions infrastructure and support facilities to meet the standards of higher education and growing need of students. The institution carried out internal academic and administrative audit of each department through the Academic Audit Committee to ensure transparency and verification of departments and maintains the quality of education. The Committee evaluated and inspected departments by visiting them. The report of the committee was submitted to the Principal and the same has been put in the College Development Committee for discussion, suggestion and approval. The educational use of social media has also been utilized to establish communication with the students and peers. Jio Wi-Fi facility is made available in the campus for faculty members, non-teaching staff and students.

IQAC proposed to initiate various green practices to maintain eco-friendly college campus through the different activities i.e. Medicinal plants hub, QR code development of Talking tree app, plastic eradication, tree plantation, clean and green campus, organic fertilizer pit development, liquid and solid waste management, regular green and energy audit. For the better implementation of these practices, administration distributed these activities to various departments. The Department of Environmental Science is aware about green practices through their curriculum. Because of these practices, eco-friendly and

pollution free college campus and social awareness about renewable energy and waste management is developed in the community

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Gender Equity is the most important part of the all round development of students, especially girls in every sector. We are committed to laying the foundation of gender sensitization, gender equality, and empowerment of women. Women Redressal Cell (WDC) was constituted in December 2016 with the convener and members taking into consideration of Vishaka's judgment. The aim is to spread awareness among students regarding the need for gender sensitized system on campus. The WDC is actively engaged in organizing diverse programs for the awareness of girls with the sole moto to sensitize other women in and around them.CCTV

surveillance helps in monitoring and keeping track of the intruders which is essential in improving the safety and security of the campus. CCTV surveillance in the campus is adequate to resolve issues related to safety and security. The purpose of the display board is to communicate information about rules and laws, helpline numbers related to the safety and security of women. Display board fixed in veranda, catch viewers' attention. The disciplinary committee constituted in the college monitor indisciplinary behaviour and work hard to prevent indisciplinary activities. The basic thing behind counselling is to build a concrete personality by overcoming emotional stress among students. Regular organization of gender sensitization programs in college is the best system to strengthen the confidence of women. The Mentor system in the college plays a key role for the better-informed students in the college.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

Our college is committed to disposing of solid waste in proper ways. Dedicated efforts of staff, sanitary workers with the active participation of students brought a remarkable change in the management of solid waste. The solid wastes generated in the administrative building, classrooms are collected and put into a dustbin provided for storage and transportation to the Chandrapur Municipal Corporation (CMC). Routine collection of solid waste, by CMC vehicles, further reduces the burden of solid waste on the campus. Liquid waste generated through taps in the laboratory is channeled in sewerages line. Wastewater generated through the tap is used for plants. E-Waste generated in the college is regularly collected by the local vendor for further reuse and recycling. Dead tree leaves on the ground are collected by the sanitary workers at the common point for composting, which is further used as manure for pots. The water obtained from the air conditioner in college as Air conditioners condensed water is used as General Laboratory Grade Water in the laboratory. Some of the chemicals used in the laboratory are corrosive and hazardous. Hazardous chemicals are diluted with a sufficient quantity of raw water before being disposed of in sewers.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

Institution provides an inclusive environment for every one with tolerance and harmony towards cultural, regional linguistic, communal socioeconomic and other diversities. An inclusive environment is a key to seeing the all-round development of students. Our college has a strong faith to provide equal opportunities to students of all walks of life. The institution promotes social inclusion and individual development of the students in addition to boosting competitiveness and employability. We obey and practice zero discrimination through the efforts of dedicated teachers and staff. Students can feel the non-discriminatory culture in the campus. The celebration of days of national integrity and great personality of the highest degree is an indication of our commitment to creating communal harmony and it can be achieved by inclusion. Cultural events organized in the college are a milestone in the development of unity among students. They are effective to develop interpersonal skills which further enhance leadership and personality. In order to adapt to local surroundings better, the choices of different languages are provided to students with English as a second language in the curriculum. Inclusive classroom teaching leads to improvement in cognitive skills leads to better learning habits. The college gives an opportunity and extends the benefits of earning while you learn. The college has a commitment to cultural tolerance, promoting new ideas to strengthen unity in diversity.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

Celebration of important days of significance, birth & death anniversaries of the great leaders of India helps to promote a spirit of patriotism and the unity of India. The life history and values of great leaders inspire us to follow the path of integrity, empathy, honesty, and tolerance, and compassion for significant changes in our life. Our college celebrates anniversaries of great leaders through various programs. These programs inspire us to pay tribute to this great leader and their values for sustainable living. Gandhi Jayanti is observed every year on October 2 to pay tribute to his great service to the nation. College staff and students get acquainted with his teaching of nonviolence and peace. In annual celebration of Independence day, Republic Day and Constitutional Day teachers and students together recite the preamble of India's Constitution to uphold its values and supremacy in the nation. Our college department of political science is actively involved in planning and implementation of voter's awareness in nearby areas. We celebrate the anniversaries of Dr. B.R. Ambedkar, Mahatma Jyotiba Phule, Chatrapati Shivaji Maharaj, Rajshree Shahu Maharaj, Savitribai Phule for their contribution to social change and upliftment of the weaker section of society. Fundamental rights are useful which help every human being to develop a personality for healthy living.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

1: Book Donation in Library on birthday.

Objectives: To promote reading, knowledge, and education.

Context: Book donations are crucial to the development of knowledge-based communities. The joy of reading, which fascinates millions of people of all ages every day, can only be found in books.

The Practice: Choice of books to donate in library is entirely voluntary for staff members. Books on competitive examination, science, technology, history, economics, and general topics are donated by teachers and supporting staff. This exercise helps to provide variety of books for reading and examination preparation. This activity is distinct from the regular purchase of books for the library.

Evidence of Success: Student feedback as an effective tool for achieving the success in this activity.

2 -Utilization of AC condensed water in a laboratory

Objectives: AC condensed watercollected can be utilized for many purposes. Our college use it in laboratory for practical purposes.

Context: The distilled water procured from the outside source is costly, so the utilization of AC condensed water is effective to

best use in the laboratory for general practices and rinsing laboratory glassware.

The practice: The collection and utilization of AC condensed water involve, Collection of AC condensed water, analysis of water, utilisation of water for practical purposes. Evidence of Success: Students are taking interest in this practice. They are regularly collecting and analysing the water for its purity prior to its use in the laboratory
